

Sixteen Acres Civic Association, Inc.

April / May / June - 2015 Newsletter

Message from the President

Hello everyone

We hope that the winter was good to you in spite of heavy snows, treacherous ice, tall snow banks and that unbearable cold. I just saw a promising “sign” of spring coming-a gaggle of geese returning to the acres, waiving and honking their “hellos” over and over. Since winter is over at last, our association will be getting busy again, as so much is happening-like always.

Did you know? Admission to Springfield museums is free for their members and the residents of Springfield? Bring an ID and call them before you go for the hours of opening. There is an extra charge for attending special events as well as the planetarium.

Board vacancies - due to unexpected circumstances, 3 board member vacancies happened-like illness among others; these positions have been vacant for awhile. I have tried to fill these openings but to no avail. Anyone wishing to join the Sixteen Acres Civic Association board, contact me in person or call me at 413-787-7716.

Our new website is up and running, the newsletter and other important matters will be posted on it. Contact our board officer, James Gregory for additional information.

Anyone running for an office must be a dues paying member for 1 year prior to the election.

July and August, NO CIVIC ASSOCIATION MEETINGS

The July bi-monthly neighborhood watch is scheduled for 07/21/15

After which Mayor Sarno is expected to announce happenings within the city: updating us about street repairs, the new senior center, the Ecos project, casino progress and more. Everyone is welcome.

A most happy spring season is wished for you and your families!
