## Message from the President

Hello everyone

Once again I am feeling deeply, humbled and appreciative that you have put your trust in my abilities, by electing me President of our civic association once more. Half of the year has already gone, and plenty of work lies ahead of us-for keeping our community clean and safe. As I drive through the neighborhood I get a sense of pride about how well folks in Sixteen Acres keep up their property. It is also noticeable and that there is far less debris in our community than there had been in the past. Thank you Sixteen Acres!

Did you know? That you can take out eight DVDs free for a week with your library card, as well as, adult and children books. Need a library card? The friendly staff at the circulation desk will gladly help you to get one. Not too long ago our Sixteen Acres library branch had established a gently used bookstore which also carries some DVDS, CDs, magazines and videos for modest prices.

### Upcoming programs for early and late fall:

07/21 6:00pm - neighborhood watch, followed by the honorable Mayor Sarno, who will bring us up-to-date about various happenings in the city. Note: our neighborhood watch meetings take place every other month

August - no civic association meeting

09/22 - Neighborhood watch 6:00pm, speaker @ 7:00pm, Lydia Martinez, Deputy Superintendent of Springfield Schools (the date was changed due to primaries being held at the Clodo Concepcion Community Center on the previous week)

10/20 - Ted Tokarz, Principal Central High School, 7:00pm

11/17 6:00pm - neighborhood watch, 7:00pm speaker: Daniel Keenan, Senior Vice President Government Relations, Sisters of Providence Hospital

12/15 - Holiday party for members only, no children please. Members must pay their dues before the Party

*Have a fun and safe summer with family & friends and remember, we are Sixteen Acres!*
