

**NEWSLETTER- SIXTEEN ACRES CIVIC ASSOCIATION**  
**March 19,2022. Provided by Don Roberts, Secretary**

To whom it may concern:

The Sixteen Acres Civic Association, Inc., is in the process of reopening the Association's Board Meetings and General Meetings.

The following schedule for the Board and Association meetings will be followed as we begin the process. Board meetings will be held on the first Wednesday of each month/<sup>Except</sup> July, August and January. General Association Meetings will be held in April, May, June, September, October, November, December, February and March on the third Tuesday of each month at 6:30 p.m. The Police Crime Watch will meet in May at 6:00 p.m.

As most of you are aware, we lost our President, Sally Lussier in January. Sally did so much for the Association over many years and will be difficult to replace, BUT, she would want us to go on and we will need to find someone to fill her shoes. We will have an election in May to replace her and our Vice President, Jim Aubin, who was a victim of COVID last Fall. Nominations will be accepted for Board positions at the April Meeting, April 19, 2022. I beg you to look into your hearts and think about helping us to rekindle the flame by joining us on the Board!!! Positions needed are President, Vice President, Secretary, Treasurer and eight (8) Board members. I hope that most, if not all, of our current Board members will remain interested in continuing, BUT, we need some new people on the Board to help maintain the integrity of the

Sixteen Acres Civic Association. Let's make Sally look down on us with PRIDE for what she worked at for such a long time.

At the April meeting, in addition to Nominations and a discussion of where we will be headed in the future, there will be a group of line dancers to perform for us. They meet at the Greenleaf Center weekly and are always looking for new members.

By the way, the Board, at the March Meeting agreed that I would act as Temporary Chairperson until the election.

Don Roberts, Secretary
